

## STUDENT CHAPTER OF SIAM MAGDEBURG

02.08.2018 - The Student Chapter of SIAM Magdeburg presents the **Outdoor Nerd Nite 2018** on **Thursday, 2nd of August 2018** starting at **6pm**. The Nerd Nite will take place at the ›Werksschänke (<https://www.facebook.com/werksschaenke/>) in Magdeburg. Sign up today for the event on the ›Facebook Event Page (<https://www.facebook.com/events/1768875653205039/>) .

Being a nerd means to dive head first into fascinating topics! These don't necessarily have to include computers, comics & science in a dark basement. Indeed, it can be about very Magdeburg, speakers from a wide variety of backgrounds present. Keeping with the summer, we are moving the event outside, including
