MAGdeburg Lectures in Optimization and Control

25.09.2020 - We are very happy to announce the first talk in 2020 of the **MAGdeburg Lectures on Optimization and Control (MALOC)** series, this time organized by the SIAM Student Chapter Magdeburg and given by Prof. Zoran Tomljanović from J. J. Strossmayer University of Osijek, Croatia. The MALOC lectures are a special format, where every semester experts from the field of control and optimization are invited to come to Magdeburg to present their latest research to mathematicians, engineers and every interested person here in Magdeburg.

Officer Board Election 2020/2021

21.09.2020 - Soon enough we will be welcoming a new studying year, with which the current SIAM officers hand their responsibilities to the next board which will hopefully bring many new faces with unique personalities and fresh ideas. We are looking forward to having YOU as a **candidate** in the **SIAM student chapter elections** happening next month.
