

STUDENT CHAPTER OF SIAM MAGDEBURG

SIAM Chapter BBQ

03.08.2022 - We invite you to a barbecue on **Wednesday, July 3**, from 5:30 PM. It will take place at the MPI garden (area near the pavilions/tents), where we have space to party, eat, and play some games (frisbee, badminton,... feel free to bring your own game!). We kindly request all participants from the university (who are not working at MPI) to make a note at the reception when they enter MPI.

We will provide food (steaks/sausages, cheese, bread,...) and drinks. If you feel like bringing some salad, dessert, or other food/snacks, you are encouraged to do so, but it is not necessary.

You can also bring along your colleagues, friends, or partner. Feel free to share the information with anyone who might be interested in the event.

We are looking forward to seeing you there!
