

STUDENT CHAPTER OF SIAM MAGDEBURG

...r of SIAM Magdeburg was organized by the Max Planck Institute. The
...y invited guests and local participants. The day ended with a joint

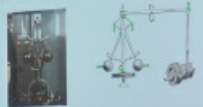

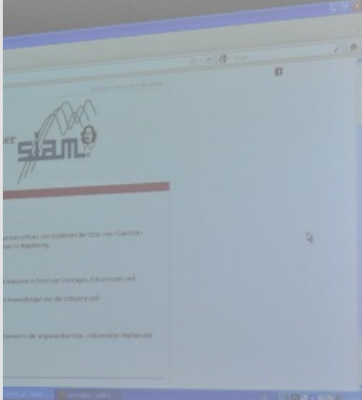

Classical control technique

James Watt's centrifugal governor for steam engines
The element uses centrifugal force to control revolution speed
An example of an extremely successful control concept
~ 75000 copies in England alone

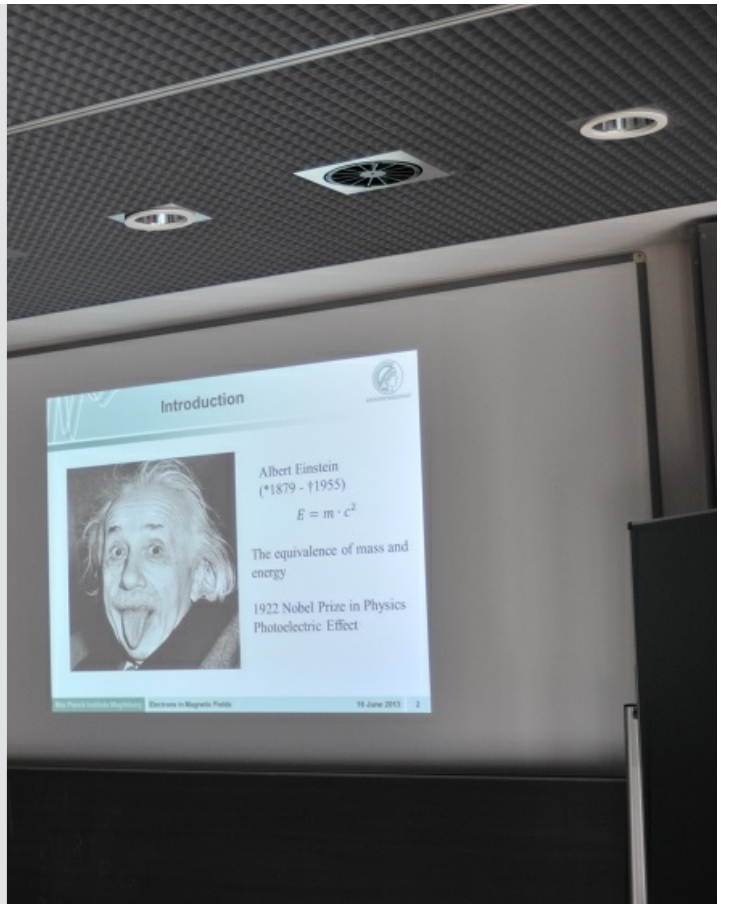

Engineers started to look systematically into theory of control

The screenshot shows the homepage of the Society for Industrial and Applied Mathematics (SIAM). The logo features a stylized 'S' and 'I' with a gear-like element. Below the logo, there is a navigation menu and a main content area with several paragraphs of text, likely describing the society's mission and activities. The browser's address bar and taskbar are visible at the bottom of the screenshot.
