Activities 2019

Field Trip 50Hertz

11.04.2019 - On 11th April we organized a field trip to the transformer station operated by the company ›50Hertz (<https://www.50hertz.com/>) in Berlin, together with our friends from the ›GAMM/SIAM Student Chapter Berlin (<https://www.studentchapterberlin.de/>) . After arriving on the site in Neuenhagen we had the opportunity to listen to interesting presentations.
