

## STUDENT CHAPTER OF SIAM MAGDEBURG

### Seminar: Basics of LaTeX, 09.10

Dear Students,

The first free seminar of the **Tools Seminar Series** will be held on **09.10.2024** and will cover the basics of LaTeX to help you to get started on creating well-formatted documents for your academic work.

Seminar Details:

- ▶ Topics Covered:
  - ▶ Basic LaTeX packages and commands to start a document
  - ▶ Writing equations and mathematical expressions
  - ▶ Creating tables and figures (including subfigures)
  - ▶ And much more!
- ▶ **Language: English** (with support available in **German** as well)
- ▶ **Date & Time:** 09.10.2024 at 4 - 5:30pm
- ▶ **Location:** G02-R020

What to Bring:

- ▶ Just bring your laptop – no need to install LaTeX in advance.
- ▶ Since we will be using online LaTeX editor Overleaf for the hands-on part of the seminar, **we recommend you to register a <https://www.overleaf.com/> in advance.**

This is a great opportunity to learn together an important tool for preparing professional academic documents, theses, and research papers. Of course, any LaTeX-related questions are welcome, we would be happy to help you and learn with you.

We look forward to seeing you there and helping you on your journey to mastering LaTeX!
